

THRIVE CENTRAL OREGON'S

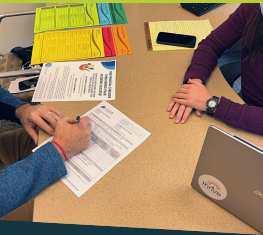

Housing to Thrive

Who we are

A 501(c)(3) nonprofit operating in the heart of Oregon and serving the Bend, Redmond, Madras, Prineville and La Pine communities in person and all of Central Oregon by phone.

HOUSING • HEALTH • BASIC NEEDS • EMPLOYMENT • BENEFITS

What we do

Thrive Central Oregon meets families and individuals - our neighbors - in public spaces to connect them with the assistance they are looking for.

There are many resources in Central Oregon, but the landscape can be difficult to navigate alone. We connect with folks and utilize a holistic, individual-led approach to services, and in doing so we help access affordable housing and financial security in a sustainable and trauma-informed way.

What our services look like

We meet with anyone that comes to see us, with any need, and help them understand and apply for assistance that they qualify for, while also providing the emotional support critical for wellbeing.

walk-in sites

libraries and community locations across Central Oregon, where people can meet with us in person on a first-come first-served basis

phone

services available for those that aren't able to meet with us in person
